Profile

I'm a designer and front-end developer with a flair for photography and art. I'm a resourceful, down-to-earth individual up for new challenges. I not only love to design but I love to build out designs through front-end code. I want to collaborate with people, businesses and organizations make their ideas awesome!

Experience

Web/Graphic Designer

Freelance 2017 - Present

Work directly with clients to design logos, Wordpress websites, and illustration for t-shirts and other projects.

Designer/Front-End Dev

BluSolutions Dealer Websites and SEO 2013 - Present

Work directly with clients designing web banners and graphics, print advertisements. Design and code websites, landing pages, and email newsletters. Day-to-day support and production.

Graphic Designer

Auffenberg Dealer Group 2012 - 2013

In-house design for website graphics and banners, printed signs for all the different car dealers.

Volunteer

Web Designer

National Building Arts Center 2016

Helped move their website from Wordpress.com to a self-hosted Wordpress website, optimize images, tweak the styling for their theme and fix some layout issues.

SIUE Friends of Art 2011 - 2014

Managed a website to provide information about their annual art auction.
